APPENDIX A

During the course of negotiations, the parties agreed to establish a performance bonus to begin July 1, 2008. This procedure will be established by a joint committee of bargaining unit employee's (not to exceed three) and administration.

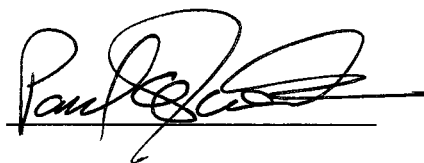

Employees will have the ability to earn up to an additional five hundred-twenty (\$520.00) per year in addition to their contractual wage increase. This will be paid in a separate check on the first pay date in August of 2009 and 2010.

If the performance bonus concept should fail to work, the City and the Union will open the collective bargaining agreement in 2008 to negotiate wages for the year remaining on the contract.
